Description

This beautifully maintained motorhome offers the perfect balance of comfort, performance, and practicality, making it an excellent choice for both short getaways and extended journeys.

With a total length of 699 cm, a width of 232 cm, and a height of 320 cm, it provides a spacious and well-designed interior. The layout comfortably accommodates up to 4 passengers and offers 4 sleeping places, including twin beds and an additional drop-down bed. Powered by a reliable 2.3L diesel engine delivering 160 HP, combined with a smooth automatic transmission, this motorhome ensures a relaxed and efficient driving experience, with an average consumption of approximately 11 L/100 km.

The interior is finished with elegant beige leather upholstery and features a modern L-shaped seating area, a large refrigerator, and a fully equipped kitchen. Comfort is further enhanced by a roof-mounted living area air conditioning system (230V), gas heating, and a hot water boiler.

This vehicle is exceptionally well-equipped, including a solar system, hydraulic leveling system (HSA), integrated navigation, rear-view camera, and a TV with Apple TV. Additional highlights such as a safe, Nespresso machine, heated and insulated waste water tank, double floor, and a spacious rear garage with an airline rail system make it ideal for independent travel.

The motorhome is in top condition, carefully maintained, and can be upgraded to a total weight of 3,850 kg if desired.
