Description

This Bavaria FIAT Fjord T731-L is a well-designed and comfortable motorhome, offering the perfect balance between practicality, space, and reliable performance. Built on a robust AL-KO chassis with double floor construction, it ensures excellent stability, insulation, and year-round usability. With a total length of 7.33 meters, a width of 2.30 meters, and a height of 2.85 meters, this motorhome provides a spacious yet easy-to-handle driving experience. Powered by a 2.3L diesel engine delivering 150 HP and paired with a manual transmission, it offers efficient and dependable performance. The interior is thoughtfully arranged for 4 travel seats and 3 sleeping places, including a comfortable queen-size double bed and an additional single bed, making it ideal for couples or small families. Designed for comfort and convenience, the vehicle features: Truma Combi heating system for warmth and hot water Spacious bathroom with shower XXL refrigerator with freezer compartment Fully equipped kitchen with gas stove and extractor hood Practical double-floor storage solutions Driving and usability are enhanced by: Rear-view

camera Cruise control Power steering and electric windows Bluetooth connectivity Bike rack and exterior awning Additional highlights include: Shurflo Trail King pressure water pump (7L/min) Electric gas safety valve (Heatec GV200) Multiple storage compartments throughout Reliable safety systems including ABS, ESP, and airbags This Bavaria Fjord T731-L is a great choice for those seeking a reliable, spacious, and comfortable motorhome, ready for both weekend getaways and extended journeys.
